The Executive Board of the **Police Officer's Brotherhood** announces a team PPE Donation Program & Emergency Response Fund to help those during their time of need & crisis!

Our First Responders and Healthcare Workers need your Help!

At a time of such uncertainty due to COVID-19, this pandemic has changed the way we are currently living. With staying home orders and social distancing wearing masks when going outside for essential food and living products, our First Responders and Healthcare Workers are on the job doing their best to maintain order /public safety and the treatment of patients to save lives during this crisis. They have put their own lives and the health or lives of their family at risk every day when reporting for work. **The shortage of Personal Protective Equipment (PPE) and having to reuse said PPE puts them at a much HIGHER RISK.** We need your help and support for them to do their jobs protected and safely.

Due to these PPE shortages, the **Police Officers Brotherhood, Healthcare Medical Professionals & Associates**, along with the **NJ Police Foundation**, are uniting to begin a Donation Emergency Response Fund & Drive for PPE for our **frontline First Responders and Healthcare Professionals** (Police, Fire, EMT, EMS and the Healthcare Profession) through our rapped response program!

Therefore, **members of the public, small business owners/operators, and large corporations alike are encouraged to assist and participate in this PPE Drive for our frontline heroes!** Every little bit does make a difference small, and large donations welcome help us help you, by supporting our brave men and women who place their lives on the line protecting the public! Attached please find more information and a donation form regarding this PPE program and your donations are tax deductible to the full extent of the IRS Code.

Please stay safe, and together we will get through this! Thank you for your time and attention regarding this matter, and please help us and support this PPE drive to save lives! Please feel free to visit our website www.njlepob.com or call our office to discuss your donation and the importance of your participation, THANK YOU!

The Police Officers Brotherhood is an independent non-profit Law Enforcement Organization that was formed with the frontline law enforcement officer, their families and the victims of crime in mind. The POB is governed by active, retired and former Law Enforcement Officers throughout the State and does not compete with labor unions. Help us by coming together to help our Law Enforcement Officers and their families during their time of need or crisis. The POB has helped donate thousands of dollars to law enforcement causes over the years. **With your help we will continue to meet our goals and help our brother and sisters in blue who need us the most! THANK YOU!**

Our goal is to unite officers and give donations to all law officers regardless of their union affiliation.

It's time to bring back the true meaning of" the brotherhood" Together we can make the thin blue line stronger!
